DOMAINE DE PERREAU
Gaëlle Reynou-Gravier

Rouge²

Bergerac Rouge

ENTRE DEUX MONTS

Technical data sheet:

Rouge² is the result of the collaboration between two friends, two viticulturists: Gaëlle Reynou-Gravier of "Domaine de Perreau" and Martin Bacquaert of wine estate "Entre-Deux-Monts".
Together they have developed this cuvée on the beautiful parcels of Montravel (a stone's throw from Saint-Emilion).

General specifications:

Description:	Concentrated, smooth and fruity
Designation:	Bergerac
Soil:	Calcareous clay
Average age grape vines:	30 years
Colour:	Red
Vintage:	2020
Grape varieties:	Merlot, Malbec, Cabernet Sauvignon

Vinification:
Wine coming from the oldest parcels which have a high plant density. The assemblage of Merlot, Malbec and Cabernet Sauvignon – the well-known grape varieties from the Sud-Ouest – creates a wine with high complexity. Aging in 3-year-old wine barrels during 8 months.

Tasting notes:
A bright, still purplish red wine with much red and black fruit and also a light kirsch impression on the nose. Tight on the attack. We experience a medium-bodied red wine with soft tannins, riper fruit and a touch of spiciness on the palate.

Aging potential: 6 years

Food pairing: Serving temperature is 16 °C, can be readily combined, enjoy now in combination with refined dishes.

Sustainable viticulture:

Terra Vitis certificate since 2014.
Terra Vitis integrates a combination of measures to maintain and develop the biodiversity of wine landscapes and of a vivid landscape.
